La 12ª edizione della Modena Cento Ore Classic, tradizionale gara internazionale di velocità e di regolarità per auto storiche, si terrà dal 5 all'8 giugno 2013 con partenza da Modena. Oltre a regalare tante emozioni, lungo il percorso si potranno ammirare gli incantevoli paesaggi che come sempre il territorio è in grado di offrire.

La gara si articolerà in dieci tappe in salita lungo le strade dell'Appennino toscano-emiliano e 3 gare all'interno dei circuiti di Modena e del Mugello. Seguiranno le prove di regolarità lungo lo stesso percorso con 40 prove cronometrate su strade chiuse al traffico e all'interno dei circuiti (si ricorda che il casco è obbligatorio durante tutte le prove). Per garantire il successo della manifestazione è consentito un numero limitato di veicoli e di partecipanti (fino a 60 equipaggi).

Twelve Years of Legend: Modena Cento Ore Classic 2013

'Life is Racing. Everything else is just waiting' - (Steve McQueen).

Dream cars, oil and gasoline, track races and mountain hillclimbs, wonderful landscapes and exciting roads, award-winning chefs and great wines. All of this is the legendary Modena Cento Ore Classic, a unique event in Italy, one of the best in the world.

The 12th edition of the Modena Cento Ore Classic will be held from the 4th to the 9th of June 2013, between Modena, the hearth of the Motor Valley, and Firenze, the cradle of Renaissance; it will be a truly special edition: it will be dedicated to the 50th anniversary of the Porsche 911, a car which rightfully became a legend.

Relive with us the history of the 911 during the Italian Tour that commemorates its 50th anniversary. Modena Cento Ore Classic will be one of the highlights of the tour, with a big birthday cake on Saturday, 8 June in Modena that will also celebrate another important date: the 65th anniversary of the registration of the first Porsche, the model 356, Vehicle Identification Number 001.

Modena Cento Ore Classic 2013 will be held from the 4th to the 9th of June 2013 and, as usual, will take place along the most charming scenic roads, offering the chance to enjoy the beautiful landscapes of Tuscany and Emilia.

It will be a completely renewed Modena Cento Ore: top hospitality in the best hotels of Modena and Firenze; great chefs that will match typical recipes with the best wines; breathtaking landscapes and exciting roads; races in circuits and special stages uphill in the Apennine mountains; a tough race in a frame of relax and entertainment.

A unique and unforgettable event, also thanks to our excellent partners, like our main sponsors TAG Heuer, a leading watchmaking Maison with a marked sporting and racing streak, RM Auctions, a leading auction company in the classic cars business, and Porsche, which will celebrate the 50th anniversary of the 911 model and the 65th anniversary of the manufacturer itself.

The competition section will offer an 800km long route in four days, 11 special stages in the Apennines and races in the circuits of Modena and Mugello. The regularity section will follow the same route, offering 40 special stages on roads closed to traffic and in the circuits.

At the end of each day, the evenings will offer unique programmes, like the Gala Soirée on the roofs of Florence...an incredible setting for a special and unforgettable occasion. The evenings in Modena will be just as charming, ranging from the Renaissance dinner in the historic hamlet of Castelvetto to the final evening at Piazza Grande in Modena, the heart of the Motor Valley.

The maximum number of admitted cars (Turismo, GT, GTS, Sport) is 60, starting from the D, E, F, G, H periods (G and H: only cars with a racing history).
