As the world-renowned classic Ferrari expert, GTO Engineering certainly knows a thing or two about automotive events. Having restored and presented some of the world's top marques for international concours events, supported hundreds of Enzo era Ferraris over thousands of miles of touring events and assisted countless clients in achieving glory on the racetrack, GTO Engineering is able to give a thoroughly objective view on some of the world's best events.

Goodwood Members' Meeting

Where: Sussex, UK **When:** March 18th - 19th, 2017

The Historic Motorsport season-opener, Goodwood Members' Meeting is a truly unique event, aiming to recreate the atmosphere of the original BARC Members' Meetings of the 50s and 60s. Despite the somewhat temperamental weather, this event never disappoints. Competing on the world famous Goodwood track is a 'must do' for any historic motorsport enthusiast and GTO Engineering has assisted a number of clients in taking part in this exceptional event.

Modena Cento Ore Classic

Where: Modena, Italy **When:** June 6th - 10th, 2017

Cento Ore is a great combination of luxury tourism and motor racing and is one of the most popular tour events on the calendar. Offering some of the most beautiful driving routes in Europe, the itinerary is varied with exciting drives by day and impeccable entertainment come sunset. Overall this event is bursting with great food, great wine, great roads and of course, incredible cars.

Salon Prive

Where: Oxfordshire, UK **When:** August 31st - September 2nd, 2017

A real 'English affair' this event could not enjoy a better location, the phenomenal Blenheim Palace exudes heritage and quality just as the cars in the concours do. One of the most glamorous events on the calendar, we enjoy the atmosphere, luxury and truly unique 'garden party' feel. Be sure to attend the event to witness some of the world's finest marques on display.
